

*【Important】 Elimination of the International Student Admission
(For Residents in Foreign Countries) (effective from AY 2025)*

Starting with the entrance exams slated for AY 2025 (for enrollment in AY 2026), we will eliminate the International Student Admission (For Residents in Foreign Countries) which was held in December.

Other than the above, the oral examinations for residents in foreign countries to be held in 2025 are conducted remotely using web-conferencing tools.
